I. Seeding Calculations

- a. Past three CRC Results (65%)
 - i. This calculation will be based on the following:
 1. 1st Provincial Team (ex: Team Manitoba): Average of the final placements of the top ranked team of that province at the last 3 CRC.
 2. 2nd Team from any province (ex: ON2): Average of the final placements of the second ranked team at the last 3 CRC.
 3. All other teams (ex: AB5): Average of the final placements of the second ranked team at the last 3 CRC.
 - ii. Current Provincial Championship Results (35%)
 1. The larger the provincial championship (more teams participating), the higher the score for a provincial champion.
 2. Teams will receive a score based on their placement at Provincial Championship.
 - a. For example: AB4 placed 4th at a provincial championship with 6 teams. Placing 4th at the provincial championships will result in a score that will be used as the 35% score in the final calculation.
 3. Step 1 + Step 2 = seeding position
 4. Advisory committee review.
 - a. The advisory committee will review the final seeding to establish whether slight movement by any teams is necessary for proper pool play in Round 1.

- b. IN STANDINGS:
 - i. When two (2) or more teams have an equal number of points after the completion of any round, the highest of the tied teams will be determined in the following order and considering the "Official Score" of the games, played in that round.
 - ii. These shall be followed in sequence until the tie is broken (i.e. one team is eliminated from the tie). Once one (1) team is eliminated from the tie, the procedure reverts back to (v.i).
 - iii. This procedure, in most cases, will declare the team in the HIGHEST position. However,

- in some cases, the procedure will declare the LOWEST position between tied teams, and that team shall be dropped from the tie breaking procedure (e.g. the top two teams remain tied). In these cases, the procedure shall also revert back to (v.1) in order to break the tie between those teams that remain tied.
- iv. In all games the maximum difference (spread) between goals for and against in each game is seven (7) goals. This is the "Official Score".
 - v. The following procedure will be followed:
 1. The team with the most games won amongst the tied teams during the round robin will be ranked highest.
 2. If still tied, the team having the greatest positive difference between goals for and against in games between the tied teams in the round robin will be ranked highest.
 3. If still tied, the team having the least total goals against in games between the tied teams during the round robin will be ranked highest.
 4. If still tied, the team having the greatest positive difference between goals for and against in all games during the round robin will be ranked highest.
 5. If still tied, the tied team with the least total goals against in all games during the round robin will be ranked highest.
 6. **If still tied, the team having the fewest penalty minutes in games between tied teams will be declared the highest position.**
 7. **If still tied, the team having the fewest penalty minutes in all round robin games will be declared the highest position.**
 8. If still tied, a coin toss will be used to break the tie.
 - vi. At the end of the round robin, if one or more teams are eliminated from the championship round after the normal tie-breaking procedure (described above) has been applied to the tied teams, one or more mini-games will be required to allow the required number of teams to enter the medal round.
- c. MINI GAMES:
- i. Mini-games will not begin earlier than one hour and twenty minutes after the completion of that division's last round robin game.
 - ii. It is the responsibility of the teams involved to be ready to play at the scheduled time. Failure to do so will result in forfeiture of the mini-game(s) by the offending team(s). Any team forfeiting a mini-game will be eliminated from Championship round play.
 - iii. A team required to play more than one mini-game will be given a minimum of fifteen-minutes rest between games.
 - iv. Teams involved in mini-games will be seeded using the tie breaking procedure outlined above. The respective mini-game format will depend on the number of teams advancing.
