

COACHING CERTIFICATION POLICY

Purpose

1. The purpose of this Policy is to outline the certification requirements for coaching ringette in Canada for the 2022-2023 season only and to describe the various ringette coaching education programs developed and offered by Ringette Canada.

Application of this Policy

2. This Policy applies to all individuals wishing to engage in the role of a coach or instructor for the sport of ringette in Canada.

Objectives

3. The objectives of Ringette Canada's coaching certification program are to:

- a) Plan and develop all ringette coaching resource materials
- b) Promote and align with the National Coaching Certification Program (NCCP)
- c) Develop and/or enhance coaching programs and resources to improve the skill level of ringette participants

Minimum Coaching Requirements

4. All coaches are required to have or adhere to the following:

- a) Must be duly registered with their local and provincial ringette associations.
- b) Must have completed a Safe Sport module. This module can be either the Coaching Association of Canada's Safe Sport Module or the Respect in Sport for Activity Leaders module.
- c) Must adhere at all times to the Rule of Two. Ringette Canada requires that there always be two screened and NCCP trained or certified coaches with an athlete, when in a potentially vulnerable situation such as in a locker room or meeting room. All one-on-one interactions between a coach and an athlete must take place within earshot and in view of the second coach except for medical emergencies. One of the coaches must also be of the same gender as the athlete. Should there be a circumstance where a second screened and NCCP trained or certified coach is not available, a screened volunteer, parent, or adult can be recruited.
- d) Must follow their provincial and/or local association(s) screening policy.
- e) Must have at least one (1) head coach and one (1) assistant coach per team with the coach requirements outlined in the Recommended Ringette Canada's Coaching Requirements table at section 6. All NRL coaches must meet requirements.

Provincial Coaching Requirements

5. All coaches must adhere to their Provincial Ringette Association coaching requirements.
